Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Indian Institute of Information Technology, Pune for the year ended 31 March 2024.

We have audited the attached Balance Sheet of the Indian Institute of Information Technology, Pune ('the Institute') as at 31 March 2024, the Income & Expenditure Account and Receipt & Payment Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 28(3) of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence

supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.
- ii. The Balance Sheet, the Income & Expenditure Account and the Receipt & Payment Account dealt with by this report have been drawn up in the new format prescribed by the Ministry of Education (formerly Human Resource Development), Government of India vide Order No.29-4/2012-IFD dated 17 April 2015.
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Institute as required under Section 28 of the Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017 in so far as it appears from our examination of such books.
- iv. We further report that:

A Balance Sheet

A.1 Liabilities

A.1.1 Schedule-1 Corpus/Capital Fund ₹134.73 crore.

As per Schedule 10 – Grants/Subsidies, the Institute had utilized ₹56.34 crore for creation of capital assets, of which ₹17.05 crore was shown as addition to

Fixed Assets (Schedule 4) and the remaining amount of ₹39.37 crore was shown as advances to CPWD under Loans, Advances and Deposits (Schedule 8).

Instead of adding ₹17.05 crore, the Institute had added the entire grant of ₹56.34 crore to Corpus/Capital Fund (Schedule 1), resulting in overstatement of Corpus/Capital Fund (Schedule 1) and understatement of Current Liabilities & Provisions (Schedule 3) by ₹39.37 crore.

Similarly, as against the advance of ₹39.37 crore shown under Loans, Advances and Deposits (Schedule 8), the Institute had depicted the corresponding unutilized grant under Current Liabilities & Provisions (Schedule 3) at ₹26.68 crore resulting in difference of ₹12.69 crore, which is required to be reconciled.

A.2 Assets

A.2.1 Schedule 6 - Investment Others ₹ 99.11 crore.

The above included investment in FDs of ₹2 crore with a maturity period of three months. Instead of depicting this under Current Assets (Schedule 7), the Institute had shown the same under Investment Others (Schedule 6).

This has resulted in overstatement of Investment Others (Schedule 6) and understatement of Current Assets (Schedule 7) by ₹2.00 crore.

B. Income and Expenditure Account

B.1 Expenditure

B.1.1 Schedule 17 – Administrative & General Expenses ₹6.60 crore.

- (a) The above included a total payment of ₹1.22 crore paid towards Hostel Rent, of which ₹1.20 crore was pertaining to the period from January 2024 to

June 2024 and AMC Software costing ₹2.30 lakh pertaining to the period from June 2023 to May 2024. Inclusion of prepaid expenses of ₹29.91 lakh ($₹1.20 \text{ crore} \times 3/12$) and ₹0.38 lakh ($₹2.3 \text{ crore} \times 2/12$) in current year expenditure has resulted in overstatement of Administrative & General Expenses (Schedule 17) and consequent understatement of Corpus/Capital Fund (Schedule 1) and Prepaid Expenses under Loans, Advances and Deposits (Schedule 8) by ₹30.29 lakh.

(b) The Telephone, Fax and Internet Charges of ₹10.41 lakh included expenditure of ₹1.35 lakh pertaining to the period from December 2022 to March 2023.

Instead of classifying this under prior period expenses, the Institute had depicted it under Administrative and General expenses. This has resulted in overstatement of Administrative & General Expenses (Schedule 17) and understatement of Prior Period Expenses (Schedule 22).

B.1.2 Schedule 16 – Academic Expenses ₹2.39 crore.

(a) The Student Welfare Expenses of ₹16.86 lakh included payment of ₹ 8.32 lakh towards Student Medical Insurance for the period from 22.01.2024 to 21.01.2025. Inclusion of Medical Insurance Premium pertaining to the period from April 2024 to January 2025 of ₹ 6.93 lakh ($₹8.32 \times 10/12$) in current year expenditure resulted in overstatement of Academic Expenses (Schedule 16) and corresponding understatement of Corpus/Capital Fund (Schedule 1) and Loans, Advances & Deposits (Schedule 8) by ₹ 6.93 lakh.

(b) The above included payment of ₹1.82 crore made towards Mess Charges which was inclusive of ₹12.28 lakh pertaining to the month of January 2023. This being an expenditure related to previous year should have been shown under Prior Period Expenses instead of Academic Expenses, which resulted in overstatement of Academic Expenses (Schedule 16) and understatement of Prior Period expenses (Schedule 22) by ₹12.28 lakh.

C. General Comments

C.1. Current Liabilities and Provisions (Schedule 3) showed Interest on grants amounting to ₹4.74 crore. This amount was inclusive of ₹31.65 lakh on account of interest realized on grant received from Government of Maharashtra (GoM), which has not been refunded to GoM. However, the Grant sanction letter was silent about whether or not the interest realized on grant received by Institute is to be refunded to GoM. In this context, specific clarification needs to be obtained by the Institute from GoM about treatment of interest received on GoM Grant in Institute's books of account. Also, a suitable disclosure is required to be made in Notes to Accounts (Schedule 24) by mentioning the context and the fact that interest of ₹31.65 lakh received by Institute is shown under current liabilities.

C.2 The Institute reflected advances given of ₹3.50 lakh as negative balance under Sundry Creditors -Schedule 3 - Current Liabilities and Provisions instead of showing it as Advance under Schedule 8 - Loans, Advances and Deposits. This needs rectification.

C.3 As per the Receipts and Payments Account for the Financial Year 2023-24, the Institute had shown a closing balance of ₹5.09 lakh in its Current Accounts.

However, Schedule 7: "Current Assets" reflects a balance of ₹3.11 lakh with scheduled bank in Current Accounts. It was observed that the Institute had not accounted for ₹1.98 lakh issued by cheque but not encashed, resulting in overstatement of the closing balance in the Receipts and Payments Account.

C.4 Schedule 7-Current Assets of ₹3.21 crore included ₹82.62 lakh (Annexure C-Student Debtors) on account of fees to be collected from students pertaining to the period 2017-2023. This long pending list of debtors needs to be reviewed and necessary action for recovery of outstanding fees needs to be initiated.

D. Grants-in-aid.

The Institute received grants-in-aid of ₹17.58 crore from Govt of India during the year (Capital ₹15.58 crore including arbitration award of ₹11.52 lakh not disbursed in previous year and interest of ₹ 2.00 crore realized on grant), with an unspent carried forward balance from previous year of ₹46.23 crore. Out of the total available grant of ₹ 63.81 crore, the Institute utilized ₹37.22 crore during the year, leaving an unutilized balance of ₹ 26.59 crore (Grant ₹22.16 crore + interest ₹4.42 crore refundable to Government of India).

The Institute also received grants-in-aid of ₹15.07 crore from Government of Maharashtra (Capital ₹15.01 crore and interest of ₹ 0.06 crore realized on grant) with unspent carried forward balance of ₹8.88 crore from previous year. Out of the total available balance of ₹23.95 crore, the Institute utilized ₹19.12 crore leaving an unutilized balance of ₹ 4.83 crore (Grant ₹ 4.51 crore + Interest ₹ 31.65 lakh refundable to Govt of Maharashtra).

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, the Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the books of accounts.
- vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in the Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:
- (a) In so far as it relates to the Balance Sheet, of the state of affairs of the Indian Institute of Information Technology Pune as at 31 March 2024, and
- (b) In so far as it relates to the Income & Expenditure Account, of the **surplus** for the year ended on that date.

However, under significant accounting policies in Schedule-23, (2.2.1), the Institute wrongly disclosed that academic fees, hostel fees, examination fees, other fees and other academic receipts from students were accounted on a mercantile (accrual) basis.
- The physical verification report of the equipment and materials showed that broken chairs and equipment were not declared as obsolete/unserviceable and disposed off. Missing items were also included in Fixed Assets and not written off.

3. Physical verification of Assets
